

COOKIES POLICY

Background

A 'cookie' is a tiny, encrypted string of text that is stored on your computer when you visit a website that uses cookies. At Cambridge Precision Ltd we use cookies to identify your geographic region and ensure that we show you the relevant information and consider the best language to communicate with you.

If you would like to learn more about cookies, you can visit aboutcookies.org

Detail of the Use of Cookies by Cambridge Precision Ltd

We do not collect any personal information about website users other than that facilitated by the use of "cookie" technology. "Cookies" are designed to enhance your online visit and permit you to access the full service within the website.

Where links are provided to other websites it should be noted that they are not and cannot be governed by our Privacy Statement. We cannot guarantee your privacy when you access other websites through any link provided on this website.

Log Files

We use IP addresses to analyse trends, administer the site, track user's movement, and gather broad demographic information for aggregate use.

Google Analytics

This website uses Google Analytics, a web analytics service provided by Google, Inc. ("Google"). Google Analytics uses "cookies", which are text files placed on your computer, to help the website analytics, analyse how Users are using the site. The information generated by the cookie about your use of the website (including your IP address) will be transmitted to and stored by Google on servers in the United States. Google will use this information for the purpose of evaluating your use of the website, compiling reports on website activity for website operators and providing other services relating to website activity and internet usage. Google may also transfer this information to third parties where required to do so by law, or where such third parties process the information on Google's behalf. Google will not associate your IP address with any other data held by Google. You may refuse the use of cookies by selecting the appropriate settings on your browser, however please note that if you do this you may not be able to use the full functionality of this website. By using this website, you consent to the processing of data about you by Google in the manner and for the purposes set out above.

Cookies

The cookies used on this website are essential for the site to operate. This website uses session cookies to identify you as a unique user of the website. If you have registered and then logged into the non-public areas of the website this allows the site to recognise that you are logged in as you move from one page to the next – this is essential for the function of the website. A session cookie only exists for the period of time you are on the website, it is not persistent and expires at the end of the session. If you register with us or if you continue to use our site, you agree to our use of such cookies.

This website does not use any advertising or targeting cookies. This website uses cookies as described above in accordance with the EU Privacy and Communications Directive May 2012.

Blocking cookies

If you wish, you may block cookies by activating the setting on your browser which allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our website. Unless you have adjusted your browser setting so that it will refuse cookies, our system will issue cookies as soon you visit our website.
